## **NORTH AYRSHIRE COUNCIL**

### **Agenda Item 2**

**4 October 2013**

#### **Planning Committee**

---

**Subject:** **Call In Request: 13/00558/PP: Isle of Arran:  
Brodict: Lamlash: Site to West of 35  
Marnaheglis Road**

---

**Purpose:** To advise the Planning Committee of a call in request in relation to an application for planning permission which would otherwise be determined by Officers under delegated powers.

---

**Recommendation:** That the Planning Committee consider whether it wishes to determine the application which would otherwise be determined by Officers under delegated powers.

---

#### **1. Introduction**

- 1.1 In terms of Section 43(A) of the Town and Country Planning Scotland Act 1997, which was inserted under the 2006 Act, Members may request that an application, which would ordinarily be determined by an Officer under the Scheme of Delegation, shall be referred to the Planning Committee for determination.

#### **2. Current Position**

- 2.1 A request has been made by Councillors Barr, Bruce and McNicol, that an application for planning permission for the erection of a detached dwellinghouse on a site to the west of 35 Marnaheglis Road, Lamlash, Brodict, Isle of Arran, should be determined by the Planning Committee and not by Officers under delegated powers.
- 2.2 The planning application was registered on 25 September 2013 and the call in request has been submitted within the 3 week deadline in accordance with the approved procedure (Appendix 1).

2.3 The stated reason for the call in request is as follows:-

"It raises significant public interest insofar as a decision on the application would decidedly impact on the social and economic structure, namely

(a) of the immediate community and the Isle of Arran  
(Lamlash Golf Club is integral to the social life and economy of the community. It contributed to the recreational, social and tourist focus within Lamlash and the wider economic well-being of the island).

(b) on sustainable employment  
(Lamlash Golf Club provides employment and training for up to 12 local people, a not inconsiderable number for Arran)."

**3. Proposals**

- 3.1 The Planning Committee is invited to consider whether it wishes to determine the application which would otherwise be determined by Officers under delegated powers.

**4. Implications**

Financial Implications

- 4.1 None arising from this report.

Human Resource Implications

- 4.2 None arising from this report.

Legal Implications

- 4.3 Section 43(A) of the Town and Country Planning (Scotland) Act 1997, inserted under the 2006 Act, provided for applications to be "called in" for determination by the Planning Committee rather than by Officers under delegated powers.

Equality Implications

- 4.4 None arising from this report.

Environmental Implications

- 4.5 None arising from this report.

Implications for Key Priorities

- 4.6 None arising from this report.

**5. Consultations**

- 5.1 No consultations were required.

**6. Conclusion**

- 6.1 The approved call in procedure allows the Planning Committee to determine applications which would otherwise be determined by Officers under delegated powers.

ELMA MURRAY  
Chief Executive

**Background Papers**

Call in notification by Councillors Barr, Bruce and McNicol.

## **Call In Procedure by the Planning Committee under Section 43A(6) of the Town and Country Planning (Scotland) Act 1997**

In terms of Section 43A(6) of the 1997 Act, “the planning authority may, if they think fit, decide themselves to determine an application which would otherwise be determined by a person so appointed” (under a Scheme of Delegation).

Members are entitled to exercise this right in the following manner.

1. At least 3 Members must submit in writing or electronic format a formal request that a particular application should be remitted to the Planning Committee for determination. The request should be sent to the Corporate Director (Development and Environment).
2. The formal request must be received no later than 3 weeks after the application is registered. (Note - all registered planning applications are accessible on the Council’s website).
3. The Corporate Director (Development and Environment) will immediately refer the reference to the Chair of the Planning Committee who will be required to call a meeting of the Planning Committee within five working days of notification by the Corporate Director (Development and Environment).
4. At least one of the Members who has requested the call in will be asked to attend the Planning Committee to explain the request. If none of the Members attend the Planning Committee, the Committee may determine not to call in the application.
5. The Members requesting the call in must give reasons for the call in and, if these are so accepted by the Planning Committee, those reasons shall be communicated to the applicant (Section 43A(7)).
6. Reasons for calling in have to be fair, relative and proportionate to the proposed development.

Example might include the following:-

- determination would raise issues of perceived controversial architectural design
- raises significant public interest
- has implications as to the interpretation of Local Plan policies

These might not be the only reasons which Members may feel relevant.

7. Once the Planning Committee has determined the call in request should be agreed to, the application will be determined by the Planning Committee in the normal way, irrespective of the fact that it is a local development and would otherwise be dealt with under the Scheme of Delegation.
