NORTH AYRSHIRE COUNCIL

28 February 2018

North Ayrshire Council

Title:	Revenue Estimates 2018/19 – Common Good Funds and Trusts
Purpose:	To advise Council of the anticipated annual income and expenditure of the Common Good Funds and Trusts administered by North Ayrshire Council and seek approval for the level of grant funding to be made available for disbursement in 2018/19.
Recommendation:	That Council: (a) approves the 2018/19 revenue estimates for the Common Good Funds and registered charitable Trusts noted at 2.12, (b) approves the amounts available for disbursement noted at 2.12; (c) agrees to capital spend from the dormant and low value Trusts.

1. Executive Summary

- 1.1 The Council is the custodian of Common Good Funds for the former burghs of Ardrossan, Irvine, Largs, Millport, Saltcoats and Stevenston. The purpose of the Common Good Funds is to benefit the general population within the defined areas of each of their respective towns. The Council also administers a number of Trusts, largely composed of bequests, made many years ago. Of these Trusts, there are only two which accrue significant levels of income; the Spier's Trust and the Margaret Archibald Trust. There are also a number of trusts established for each town for which the Council holds funds together with the North Ayrshire Council Trust which incorporates a further seven smaller funds.
- 1.2 This report summarises the 2018/19 budgets for the Common Good Funds and Trusts, summarised at 2.12.

2. Background

- 2.1 Each year, the Council is required to approve the level of expenditure from the Common Good Funds and Trusts with the authority to approve individual disbursements delegated to the Locality Partnerships, provided that the spend is contained within the in year budget.
- 2.2 Both the Common Good Funds and the Trusts make annual disbursements to groups and individuals based on approved criteria. While Common Good Funds and Trusts are often restricted to a defined location, all Members are responsible for ensuring that they are properly administered within the terms of the relevant trust deed or common good criteria.
- 2.3 The Spier's Trust was founded by Mrs Margaret Spier in 1936, for the administration of Spier's School, Beith and for the provision of certain educational grants and bursaries with the local area of benefit comprising the parishes of Beith, Dalry, Dunlop, Kilbirnie, Lochwinnoch and Neilston.
- 2.4 The purpose of the Margaret Archibald Trust is "to apply the capital and income from time to time, at the discretion of the Council, for the charitable purpose of persons in need who have attained sixty five years of age, living in the Parish of Dalry, Ayrshire".
- 2.5 The purpose of the town trusts is to provide assistance to persons in need within the defined area of each fund, as specified by the original bequest.
- 2.6 The remaining smaller trusts are administered by the Council.
- 2.7 The Common Good Funds (CGF) have historically been charged an administration fees for the work carried out on their behalf by the Council, the Registered Charitable Trusts (RCT) have not. Since 2014/15 Trust Accounts have been audited by the Council's External Auditors incurring a separate audit fee, which to date has been absorbed by the Council. In accordance with recognised accounting practice the administration cost and external audit fees are now been allocated to all Funds
- 2.8 The levels of grant available for disbursement is the net annual income after meeting all expenditure commitments. In previous years it has generally been recommended that only the net income is available for trustees to disburse, ensuring that capital balances are left intact. For a number of reasons this may no longer be the best option for certain Trusts and Common Good funds.
- 2.9 There are four trusts which have not disbursed any grants over the last few years; Kilbirnie and Glengarnock and Largs town Trusts; the Douglas Sellers Trust and the Anderson Park Trust. These are referred to as 'dormant trusts'. The Office of the Scottish Charity Regulator (OSCR) is keen that charities fulfil their charitable purposes and External Audit has previously expressed concern about continued lack of activity in these trusts. If no other action is taken, the annual external audit fee and administrative charges will eventually exhaust these trusts. As such it may be better to exhaust the Trust through a particular project with any disbursement complying with the trust purposes. Any disbursement that will result in the winding up of a registered trust must be approved by the Office of the Scottish Charity Regulator (OSCR) before the relevant Locality Partnership agrees the grant.

- 2.10 In addition, the other trusts, excluding Spier's, Margaret Archibald and North Ayrshire Council Trusts and the Largs Common Good Fund will start to erode capital as a result of administrative and other charges, and before distributing grants. .
- 2.11 Some of these Trusts and Funds have been making community grants for many years, as such, if there is no distribution this may impact on community groups. The Council's decision in December 2017 to create a Festivals and Events Fund will help to mitigate the impact of this. However to ensure resources are available at a local level and to ensure compliance with Trust deeds the proposal is that distribution from these Funds is set based on previous levels, notwithstanding this will reduce the capital in these funds.
- 2.12 The following table summarises the anticipated income and expenditure and proposed disbursement for the Common Good Funds and major Trusts.
