1. Exclusion of Public

The Sub Committee resolved in terms of Section 50(A) of the Local Government (Scotland) Act 1973, to exclude from the Meeting the press and the public for the following items of business on the grounds indicated in terms of Paragraphs 6, 13 and 14 of Part I of Schedule 7A of the Act.

2. Civic Government (Scotland) Act 1982: Applications for Licences

Submitted report by the Assistant Chief Executive (Legal and Protective) on (a) applications for the grant or renewal of licences which require to be dealt with by the Sub Committee; (b) licenceholders where the issues raised may require a Hearing; and (c) individual licences where a formal Hearing has been convened.

The Sub Committee agreed to dispose of these matters as indicated in the attached Appendix LS1.

Councillors Carson, Clarkson, Moffat and O'Neill declared an interest in item 026 under Taxi Driver licenceholders in the attached Appendix LS2 and left the meeting.

3. Civic Government (Scotland) Act 1982: Taxi Driver Licences

Submitted report by the Assistant Chief Executive (Legal and Protective) on the variation of licensing conditions attached to taxi driver licences presently in force, under the Civic Government (Scotland) Act 1982.

At the Meeting on 11 November 2002, the Sub Committee agreed to invite current holders of taxi and private hire car driver licences to a Hearing to consider a revision

of the conditions to be attached to their licences.

In view of the large number of licenceholders, citations were issued to 251 taxi driver licenceholders to attend this meeting.

Taxi driver licenceholders listed at items 013, 026, 133 and 152 as indicated in the attached Appendix LS2 were present and were given the opportunity to individually address the Sub Committee. Those listed at 013, 133 and 152 raised concerns on licensing condition 3 on a total ban on smoking by drivers and passengers within the vehicle. The licenceholder listed at 026 requested that in relation to condition 10.2, the current positioning of the fire extinguisher within the vehicle be reviewed and that in relation to condition 10. 5, there should be a right for taxi drivers to display the company's telephone number on the vehicle for the purposes of passenger safety . The licenceholder listed at 026 was advised in respect of condition 10.2, that a request could be made in writing to the licensing authority for a different location for the fire extinguisher. It was noted that there was no proposed change to condition 10.5 from the previous licensing conditions.

The Sub Committee was of the view that licenceholders had not made a sufficient case to justify any adjustment to the proposed new conditions and agreed to vary the conditions attached to taxi driver licences presently in force as indicated in the attached Appendix LS2 in accordance with Paragraph 10 of Schedule 1 of the Civic Government (Scotland) Act 1982.

The meeting ended at 4.40 p.m.
