North Ayrshire Council

Wednesday 23 September 2020

Item 12 (Local Government Boundary Commission) Moved by Councillor Cullinane Seconded by Councillor Reid

As a motion, Councillor Cullinane, seconded by Councillor Bell, moved that the Council agrees to respond in support of the Boundary Commission proposals, subject to the amendment of the North Coast/Garnock Valley boundary mentioned in the report.

Item 12 (Local Government Boundary Commission) Moved by Councillor Barr Seconded by Councillor Donald L Reid

That the Council approves the recommendations set out in the officer's report, subject to the following:

Ardrossan goes to 2 councillors and the Garnock Valley retains 6 councillors

Item 12 (Local Government Boundary Commission) Moved by Councillor Billings Seconded by Councillor Ferguson

That the Council approves the recommendations set out in the officer's report, subject to the following: "Section 3 – item 3.1.4 – delete the current wording and replace with:

Arran – it is recommended that Council supports Arran as a 2-Member ward, which would provide the residents of Arran with a greater diversity to its representation, give continuity during periods of a Member's absence, and improve public access to Members across Arran's large rural areas. The Council does note the arguments in favour of a 1-Member ward, therefore, the Commission should have regard to responses from the Arran community in reply to the second public stage of consultation."
